

FIRST IMPRESSION METAL POLISH

Premium Metal Polish

PROPERTIES

First Impression Metal Polish is safe to use on most metals – brass, copper, chrome, silver and chrome. Removes tarnish and discoloration and prevents fast retarnishing. Leaves surfaces with natural brilliant shine and protects against water, air and dirt. Removes silicone films from windows and car windshields.

- ▲ Fortifies natural gloss
- ▲ No solvent odor – more pleasant with lemon scent
- ▲ Safer to use – biodegradable natural ingredients

USE DIRECTIONS

Ready to use product, shake well before using.

1. Squeeze onto a soft dry cloth.
2. Rub on metal and allow to dry to a film.
3. When dry, polish with a clean soft dry cloth.

For emergency medical information call Ecolab: 001-1-651-222-5352.

Consult your Ecolab Representative for specific use instructions and recommended dispensing equipment. For cautionary and first aid information, please refer to the Safety Data Sheet (SDS) or product label.
