

LEMON-EZE

Cream Cleanser

PROPERTY

Lemon-Eze is an excellent solution for removing stubborn spots, build-ups, scuffs, grease, rubber marks, and soap scum. Use on porcelain, ceramic, stainless steel, chromium, Formica, fiber-glass, and other surfaces. Controlled suds, free rinsing, leaves no film.

Recommended to be used as a cleaner only in hospitals, nursing homes, schools, manufacturing plants, motels and institutions with difficult to clean areas.

USE DIRECTIONS

Squeeze **Lemon-Eze** directly on surface or on wet cloth, sponge or brush loosen soil with rubbing action, for a bright shine, polish with soft dry cloth. For heavily soiled areas, remove gross soil before treatment.

For emergency medical information call Ecolab: 001 1 651 222 5352

Consult your Ecolab Representative for specific use instructions and recommended dispensing equipment. For cautionary and first aid information, please refer to the Safety Data Sheet (SDS) or product label.
